

Gunnar Andreas Berg and Henning Sommerro

New CD!  
"Two we go"  
Melodic, beautiful and majestic!

Henning Sommerro and Gunnar Andreas Berg have finally committed their long-standing collaboration to a CD. With the exception of one Beatles song, all of these church organ / guitar duets are original compositions by the two leading Norwegian musicians.

Sommerro takes full advantage of the newly aquired, top-class church organ at Trondheim's university in these August 2009 sessions. The concert version will be presented in Bethlehem, Jerusalem, Jericho and Ramallah in November of 2009.
